NOTICE-AND-ACCESS NOTIFICATION

You are receiving this notification as Cornish Metals Inc. (the “**Company**”) is using the “notice-and-access” procedures under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**Notice-and-Access**”) to deliver its 2024 Management Proxy Circular (“**Management Proxy Circular**”), audited consolidated financial statements for the year ended December 31, 2023 and proxy-related materials (collectively, the “**Meeting Materials**”) relating to the annual general and special meeting of the shareholders of the Company to be held in a virtual-only format conducted via live audio teleconference on **Tuesday, June 4, 2024 at 9:00 a.m. (Vancouver time) and 5:00 p.m. (London time)** (the “**Meeting**”).

Notice-and-Access procedures allow the Company to send shareholders paper copies of a notice of meeting and form of proxy, voting instruction form (“**VIF**”), or form of instruction, as applicable, while providing shareholders access to electronic copies of the Meeting Materials over the internet or the option to receive paper copies of the Meeting Materials if they so request. The electronic delivery of materials is more environmentally friendly and reduces printing and mailing costs.

At the Meeting, the shareholders will be asked to consider and vote on the following:

1. to receive and consider the audited consolidated financial statements of the Company for the year ended December 31, 2023 and the auditor’s report thereon;
2. to fix the number of directors at seven (7) (which is more fully described in the Management Proxy Circular under “Election of Directors”);
3. to elect directors for the ensuing year (which is more fully described in the Management Proxy Circular under “Election of Directors”);
4. to appoint the auditor for the ensuing year and to authorize the directors to fix the remuneration to be paid to the auditor (which is more fully described in the Management Proxy Circular under “Appointment of Auditors”);
5. to consider and, if thought fit, to pass an ordinary resolution to approve the Company’s “rolling” stock option plan (which is more fully described in the Management Proxy Circular under “Approval of Stock Option Plan”);
6. to consider and, if thought fit, to pass an ordinary resolution to authorize the directors to allot shares in the Company and to grant rights to subscribe for or convert any security into shares of the Company (which is more fully described in the Management Proxy Circular under “General authorization of directors to allot shares – Approval of General Share Authority”);
7. to consider and, if thought fit, to pass an extraordinary resolution to authorize the directors to allot certain equity securities for cash without first having to offer them on a pre-emptive basis to existing shareholders (which is more fully described in the Management Proxy Circular under “General authorization of directors to allot shares – Approval of Pre-Emptive Disapplication Authority”); and
8. to transact such further or other business as may properly come before the Meeting and any adjournments thereof.

Shareholders are reminded to carefully review the Management Proxy Circular prior to voting at the Meeting to ensure that they understand the procedures required to be followed to attend and participate in the Meeting virtually via live audio teleconference, the matters to be voted upon and to vote their shares accordingly.
